

All the children in Year R wait at the Year R playground before coming into school in the morning.

You will hang your coats up in the Year R cloakroom

The Year R classrooms look like this...there are different areas within the classroom with lots of fun things to do there.

Lots of fun in the role play areas in the classrooms

Lots of fun learning activities!

Lots of fun  
outside  
too!

Year R have  
their own fun  
trim trail to play  
on throughout  
the day.

All the children  
have the chance to  
go on the trim trail  
outside – it's great  
fun!

We are lucky to have so much great outdoor space! We use the field at playtime and lunchtime when the weather is good.
