Every Child Always

# Newsletter Friday 4th July 2025

Dear Families,

Summer is in full swing, and we are embracing the sunshine, change, and growth happening throughout our school. We want to share a few updates about how we are celebrating a successful Shuffle up Day, and preparing for the next steps in your child's journey.

We are thrilled to share that our Shuffle up Day on Tuesday was a big success! Children had the opportunity to visit their new classrooms, meet their upcoming teachers, work with other children and explore the new spaces where they'll continue to grow and learn.

There were so many smiles, curious questions, and proud moments of independence as the children explored their new environments. Teachers were equally excited to welcome their future classes and begin building those important connections. Thank you to all the families who have shared with us how positively the day went.

Ladybird class will be taught by our new teacher Mrs Sexton next year, who some of you may know from the Junior School. We are very excited to have her on our team from September.

I hope you all have a lovely weekend.

Mrs Skeates

**About the National Trust**

The National Trust is an independent conservation charity founded in 1895 by three people: Octavia Hill, Sir Robert Hunter and Hardwicke Rawnsley, who saw the importance of the nation's heritage and open spaces and wanted to preserve them for everyone to enjoy. Today, across England, Wales and Northern Ireland, we continue to look after places so people and nature can thrive.

We care for more than 250,000 hectares of countryside, 890 miles of coastline, 1 million collection items and 500 historic properties, gardens and nature reserves. In 2023/24 we received 25 million visitors to our pay for entry sites. The National Trust is for everyone - we were founded for the benefit of the whole nation, and our 5.4 million members, funders and donors, and tens of thousands of volunteers support our work to care for nature, beauty, history for everyone, for ever.
