Every Child Always

# Newsletter Friday 11th July 2025

Dear families,

We've had a fantastic week in school! Year 2 were lucky enough to enjoy a visit from the Rock Pool School, where they explored mini rock pools full of fascinating sea creatures. The children were captivated by the experience and learned some amazing facts—be sure to ask your child what they discovered!

Meanwhile, our Year R children took part in a lively dance workshop and were absolutely amazing. Their energy and enthusiasm were a joy to see!

We've also received many lovely comments from families over the past week. Thank you so much—your kind words mean a great deal to us, especially as we head toward the end of term when everyone is feeling a little tired. Your support is truly appreciated.

As we approach the final week of term, it's hard to believe that another academic year is drawing to a close. It has been a year filled with growth, learning, and memorable moments. Next week promises to be a joyful and celebratory time for our school community, as we enjoy a range of fun activities before breaking up for the summer holidays.

Have a great weekend

Mrs Skeates

dolce

Please take a few minutes to ensure you have ordered lunches for next week.

The Dolce Disco Menu is now online available to pre-order.

Year R and Year 1 families

Next terms menu is now available and you should be able to pre-order on school grid. Please ensure you place your orders before returning in September.

Year R had a fabulous Chinese experience this week. We were lucky enough to learn a Chinese inspired dance which was led by a company called Dance Days. The Cygnets and Ducklings had first hand experience using Chinese parasols and by the end of the days they transformed into a dragon. We are so proud of all the children. Our dance teacher said we are one of the best schools she has ever worked with! Well done Year R.

Year 2 had a special visitor on Monday this week which was really exciting! As part of our Sun, Sea and Sand topic Rockpool School came in to teach the children about the wildlife that they would find living in a rock pool.

The children were able to handle shore crabs, whelks, starfish, hermit crabs and anemones safely and learn lots of really interesting facts! Did you know that a star fish has 500 legs? 100 on each of it's 5 arms!

The children were all so engaged in their learning and Nicola from Rockpool School complemented the school as to how welcoming everyone was and how well the children did. It was such a lovely morning!
