Every Child Always

Newsletter Friday 21st March 2025

Dear families,

It was lovely to see some of you at families evening this week and I'm looking forward to seeing more of you next week. I hope you all enjoyed looking at your children's work and had a chance to look at our floor books in Year 1 and Year 2. The children are so proud of all their learning in the foundation subjects. Recording their learning in this way, enables us to show off all of the amazing ways we learn, that don't always involve writing. This gives the children the chance for discussion, debate and to be creative. They will be available to look at again at next week's families evening. It was also great to see people enjoying our book fair. If you haven't had a chance to pop along yet it will be available again on Monday 24th March.

I hope you all have a lovely weekend.

Mrs Skeates

Please take a few moments to check you have ordered for next week.

If you order a hot meal and send in a pack lunch for your child please let them know they have the option of having the hot meal. All meals are cooked to order – we are trying to cut down on waste.

We would appreciate it if you could talk through the lunch menu with your children so they are aware of what they will have to eat.

Some children are saying they do not like what has been ordered for them. Our kitchen cooks to order, unfortunately we are unable to offer alternatives as we do not have the availability.

Donations for PE equipment

We are really pleased that Anton Infant School are going to be visited by an Olympic Athlete on Thursday 24th April. Leon Greenwood is a current member of the British Bobsleigh team who were placed third overall in the Bobsleigh World Cup in Norway in February.

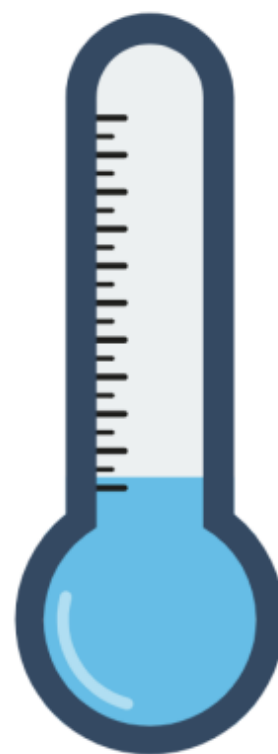

On Thursday 24th April, Leon will be working with the children to complete a fitness circuit and will be talking to them about his journey through sport before the children have the opportunity to ask him some questions too.

This visit is also a **vital opportunity for the school to raise funds to spend on PE and sports equipment**. We have been working with the children on being more active during our playtimes and they have loved having equipment out to use during this time.

Our target is to receive **at least £800 in donations, which is at least £5 per child**. This is a great opportunity to encourage your child to speak to family members and friends asking them to sponsor them to complete the fitness circuit. Full details of the fitness circuit are in the leaflets that came home with the children. Our sponsorship thermometer is currently still running a little cold.

All sponsorship **donations must be received** via online or cash must be returned to school **by Wednesday 23rd April**.
